Do you have any special requirements or accommodations we should be aware of? (e.g. mobility issues, health concerns, etc.)

The Open Chair Program is designed to provide volunteer cosmetologists and barbers with opportunities to extend their knowledge and skills, as well as gain experience working with clients in a safe and supportive environment. It is not a promised spot in Studio No.1 or any other salon.

While participation in the program can be a great asset to volunteers' resumes and may help them build their professional networks, it does not guarantee any future placement in a salon or similar business.

Through this program, we aim to offer an immersive learning experience that challenges our volunteers to apply their skills and creativity in new and exciting ways. The program will equip them with valuable insights into what it takes to be successful in the beauty industry, including strong communication skills, excellent customer service, and adapting to the latest trends and techniques.

The Open Chair Program is an excellent opportunity for passionate and hardworking cosmetologists and barbers willing to volunteer and embrace the learning experience to gain knowledge and experience on what it takes to be successful in this industry.

I certify that all information provided on this application is complete, accurate and true to the best of my knowledge.
